

DENSO North America Foundation **2021 COVID Relief Grants**

In response to COVID-19's ongoing impact on the communities DENSO operates, the DENSO North America Foundation (DNAF) is accepting proposals for grants to support immediate relief efforts in local communities.

Grant proposals must be submitted by March 23, 2021. Decisions will be announced by early April.

Grant Goals:

- Provide funds to support immediate needs within the community due to COVID-19's ongoing impact
- Proposals can be for projects supporting basic needs (rent, utilities, childcare), food distribution, medical response and other related relief efforts

Grant Details:

- The application process is by invitation only
- The maximum grant considered will be at \$5,000, \$10,000, \$25,000 and \$50,000 levels
 - Applicants are encouraged to request consideration at multiple levels
 - Please provide clear details of how funds would be used at each requested level

Application Requirements:

- A. Grant proposal need to define COVID-19's specific impact on the community and how grant funds would be used to provide support and relief
- B. Grant proposal must include a proposed plan of measurement and reporting to DNAF

Proposal Submission:

- Proposals must be submitted by March 23, 2021 through the DNAF Proposal Portal:
 - <https://www.densofoundation.org/disaster-grant-application/>
